

Go Outside

Horse

What you need:

- 1 Basketball
- 1 Basketball hoop

How To Play

All the players shoot in order. The first person shoots the ball and if they make the basket, the next person must make the basket from the same spot. If they make the shot, the third person must also take the shot from the same spot, until someone misses. If a player misses, they get an "H". If the person before you misses their shot, the new shot can be taken from another new spot. Each time a player misses, they get another letter toward the word H-O-R-S-E.
