How To Play

This game is best played with at least 5 kids.

To play this game, you just need to draw a line on the ground. Pick one person to be "IT."

"IT" calls out either "land," "sea," or "air."

If "IT" says "land," everyone jumps behind the line.

If "IT" says "sea," everyone jumps over the line.

If "IT" says "air," everyone jumps up.

If land or sea is called twice in a row, the second time, you don't move.

If air is called twice in a row, jump up both times.

If you jump on the line or make a mistake, you're out. The last person to still be playing gets to be "IT" next.
