Crocodile Race

What you need:

Outside area

How To Play

Form a team of 4 - 10 players. Stand in a straight line behind a designated leader. Each player then puts their hands on the hips or shoulders of the person in front of them. Everyone then crouches down bending their knees down near their heels. The newly formed "crocodile" then races against the other team(s). You could race one way to the end or race down the field and return! If the leader goes too fast the team behind will break up.
