How To Play

Everyone lines up next to each other. The "Mother" stands away and in front of the others, about 40 feet apart. "Mother" calls for players to take steps toward her in a certain way. For example, baby steps, grape vine, backwards or jumping jacks. The player first must ask "mother may I?" The "Mother's" answer is "Yes you may." The player then takes the steps forward according to the instructions. If a player forgets to ask permission after getting directions, they are sent back to the starting line. The first one to reach "Mother" is the winner and gets to be "Mother" next round.
