

Water Gun Tag

What you need:

1 Water Gun

How to play

Designate a base (a tree is a good base).

The person that is "IT" closes their eyes and counts to 20 at base. Everyone else runs and hides.

After counting to 20 "IT" tries to find the players that are hiding and squirt them with the water gun.

The players that are hiding try to make it back to base without being squirted.

Take turns being "IT".
