

## Red Light / Green Light in Spanish

### **Purpose:**

The purpose of this game is to practice colors in Spanish while doing activity outside!

### **Objectives:**

1. The students will be able to recognize colors spoken in Spanish and react accordingly.
2. The students will run & walk to accomplish tasks.

### **Materials:**

NONE!

### **Activity / Procedure:**

1. Have the teacher or one of the students be the "caller" at one end of a field or area.
2. The caller will then call colors and the students:
  - a) will run (verde)
  - b) walk (amarillo)
  - c) stop (rojo)
  - d) do NOTHING when any other color is called out

\*\*If the students move on the wrong color they go back to the beginning!
3. The first student to reach the caller will be the next caller.

### **Conclusion:**

Discuss any colors that they might have been confused by.
